

## **Fire Warden / Marshall Training Course**

### **Duration**

(4 - 6 hrs)

### **Concept**

By LAW you are compelled to have competent Fire Marshals in your building/offices. Penalties and consequences for non-compliance include Criminal Prosecution, Prison, Fines, Refusal of Insurance Companies to pay Claims, Business Collapse, Lack of Defence to Civil Actions and the Endangering of the lives of your staff.

### **Aims**

This Fire Safety Training course is aimed at those personnel who have been, or are going to be, appointed as Fire Wardens/Marshall's within their work environment. All types of businesses can benefit from this essential fire training – offices, shops, railway premises, factories, construction sites, industrial facilities, hotels, nursing and residential care homes, schools, hospitals, etc.

### **Course Syllabus**
